

# Ambassador Programme

One of the fabulous benefits of being a member at Pearly Grey is that you have unlimited access to referral weeks to offer to your friends, family and colleagues.

If anyone you know is in need of a Pearly Grey holiday, whether it's a studio, a one bed or a two bed, school holidays, there are no restrictions to the time of year, as long as we have the dates available.

We have a dedicated member of our team that will contact your referrals and guide them through the booking process. Either you or your referrals can contact Pearly Grey to find out more information.
